

Ascension, Ascension Health and its subsidiaries ("Ascension") maintain a program of Commercial Insurance and Self-Insurance, designed to protect Ascension interests as required by the terms of our existing signed contracts, leases, and/or agreements. This web page has been created for use by our business partners and any other party who may require evidence of Ascension's insurance. This web site is applicable only to those who have an underlying contract, lease, and/or agreement where Ascension is obligated to furnish such evidence of insurance. No obligations to provide coverage arise except, and to the extent, as is expressly contained within an existing signed contract executed by Ascension and/or one of its subsidiaries.

The information contained in this website is a matter of information only and does not amend, extend or alter coverage, or confer any rights that are not afforded by the policies themselves. The existence of the signed contract triggers protection under our insurance and self-insurance programs. Customized certificates or memorandums will not strengthen the coverage, and are therefore unnecessary.

Notice will not be provided if the program is changed, cancelled, or replaced. The documents contained on the website may be modified periodically as required, and we ask that you check back periodically for changes to our insurance and self-insurance information.

If any part of this website creates a discrepancy, inconsistency, or conflict with any provision of the signed contract, the provisions of the signed contract shall supersede.
