

Employee Assistance Plan

Our Employee Assistance Plan offers a wealth of information, support, and resources, whether you need help managing stress or managing relationships, getting back on track, or getting out of debt. **Services are confidential and available at no cost to you.** Caring and empathetic counselors conduct assessments, provide referrals, identify and order resources, develop action plans, and follow up through case resolution. **Please read the following for contact information for the EAP at your ministry.** Consider adding the number to your mobile phone for easy reference.
