

Ascension's Associate Travel Program

Find joy and flourish in a new travel opportunity at Ascension. Our national network of hospitals means you can find a place that fits your needs. Whether that's finding flexibility, growth opportunities, or exploring new places; make an immediate impact in the communities we care for across the U.S.

Travel program requirements

- 1+ year of recent bedside nursing experience
- Registered Nurse License obtained prior to hire date or job transfer date
 - Compact RN License or State RN License relevant to travel assignment location prior to start of assignment

As an Ascension Travel Nurse, you can travel with ease knowing we will take care of finding your next assignment. You'll join a national network of 145+ hospitals and be part of a team of more than 50,000 nurses strong.

Travel program benefits

- Travel across the Ascension network while experiencing diverse practice environments and exploring new places
- Competitive pay with an opportunity to retain benefits and tenure
- Professional growth in an array of specialty areas
- Professional flexibility- travel positions vary in length, location and setting
- Personal flexibility- coordinate your schedule with the ability to work in any Ascension location*

*Location matches based on preferences and availability

Full-time, benefited & non-benefited opportunities are available.
